

eFile/eServe Expands to Criminal & Traffic Court

Notice to Attorneys and Government Agencies:

EFile and eService in Ramsey District Court (Second Judicial District) will expand to the Criminal and Traffic Division on **February 25th, 2013**.

This change means that documents filed as part of Criminal & Traffic Division cases will be filed electronically with the following **exceptions**:

- Original complaints and citations
- Documents filed by individuals representing themselves
- Payable offenses not referred to a judge

The Second Judicial District, as part of its mission, is dedicated to making this transition as smooth and efficient as possible. We encourage you to learn more on our web site. The eFile Home Page offers several support options during regular business hours as well as guides and links to other resources around the clock.

For more complete information about this change, visit our *eFile Home Page* at
